ReBulet to MICHAEL L. TOBIN, Delafield, Wisconsin,
1/30/62, with enclosures.

MM 639-S on January 30, 1962, advised GERALD
PATRICK HEMMING on January 12, 1962, left for California
for purpose of trying to raise money for anti-CASTRO
activities. Informant feels certain HEMMING will return to
Miami, but does not know when. Informant estimates HEMMING
will be back in two or three weeks, and does not know
HEMMING's present address in California. FLA

It is noted that on July 2, 1961, HEMMING held a
parachute demonstration at Davie, Florida, and received
considerable publicity. As a result local Miami newspapers
received a volume of mail addressed to HEMMING from young
men throughout the country. HEMMING thereafter devised a
form letter in answer to inquiry about his organization. It
appears that enclosures furnished by TOBIN is a form letter
by HEMMING in response to a letter by TOBIN's friend.

Miami will interview HEMMING on his return to Miami.
